DEDICATION

To Dr. L. Wilson Jarman, President of Mary Baldwin College, since 1929, we, the staff of the 1946 Bluestocking, dedicate this volume. In doing this we are not merely expressing our thanks for his many years of service to this school. Instead, this dedication was made in honor of one who has always been highly enthusiastic in all our achievements and interested in our every activity. Finally it is to one who, we gratefully realize, holds uppermost in his heart at all times the welfare of this college and the success of each of the students.

FOREWORD

In 1875 there appeared upon the front step posts of the Augusta Female Seminary two iron dogs—of doubtful breed perhaps but commonly regarded as setters. Why they arrived we do not know and where they came from is an even deeper mystery. Many believe their arrival to be the result of the great fondness which Miss Mary Julia Baldwin, principal at that time, held for all animals, especially dogs. Still other legends date them at a much earlier time but explain that they were carefully concealed during the era of the Civil War to keep them from sharing the fate of the rest of non-essential metal. Finally, we hear the more popular rumor that they were "cadets who came to see their dates but had to wait too long" and even this we will not declare to be impossible. Whatever their origin, at least we know that for approximately seventy years they have stood as sentinels and watched the college grow. Caesar and Pompey were their names in the early days. Then after World War I, due to a shifting of interests from the classical to a more international vein, they suddenly answered to Wellington and Blucher. These names were short lived, however, and soon changed to the traditional Ham and Jam which we have fondly been calling them ever since.

The part that they have carved for themselves in the lives of the students has been large. As the freshman climbs the front steps on the opening day in September they greet her, and, four years later, Ham and Jam are the last things she sees, when as a senior, she passes between them in the Academic Procession. In the interval they are constantly reminding us of their presence by the favorite column of Campus Comments "Between the Dogs." This we repeat as we feature them in our BLUESTOCKING of 1946, because, from wherever they came and however long they may remain, we are sure that they will always be loved and remembered.

IVY SONG

Plant we the ivy 'neath thy sheltering portal,
Strong as our love and like our love immortal.
May it grow near thee, telling of our love for thee,

Our Alma Mater.

Here we would leave a symbol of our living
Where we have learned the lesson of life giving.
Our hearts in knowing thee, closely have been
drawn to thee,

Our Alma Mater.

SENIOR SONG

(Tune: "Londonderry Air")

While mountains guard thee in the Shenandoah,
And loyal daughters daily look to thee,

The spool of happy days is fast unwinding
Its colors rare for memory's tapestry.

The tall white columns gleaming in the sunlight,
The moonlight casting over all its spell,

The scarlet autumn, and the winter snowflakes,
Oh, Mary Baldwin, can we say "Farewell"?

May laughter ring, and dreams be ever golden,

Along the terrace there above the street,
May friendships live like truth's white flame a-glowing,

Like truth's white flame that never meets defeat.
Where'er we be, we'll cherish with fond happiness,

That golden tapestry of memory's spell,
And ever we our faith and love will pledge thee,

So, Mary Baldwin, hail and farewell.

COLORS OF THE CLASS OF 1946
Scarlet and Gold

MARY CHRISTINE ALLEN

MIAMI BEACH, FLORIDA

*Candidate for Bachelor of Arts Degree
English*

"Chris"

"Chris" with her dark beauty and poise was our "muy" attractive Chief Marshal. An Army brat, she was probably the most travelled member of the class, but Florida is without a doubt her favorite spot. We could always count on Chris coming back in September with a sun-tan that would make even a South American envious. Her dorm mates would say she's the girl with the beautiful eyes who trims split ends of hair so well but the school will remember her as a member of the Spanish Club, a Freshman Adviser, a member of the BLUESTOCKING Beauty Section, and attendant to the May Queen.

SUE MOORE ANDERSON
WASHINGTON, DISTRICT OF COLUMBIA

*Candidate for Bachelor of Arts Degree
English*

"Tudy"

"Tudy" came to us from Hockaday Junior College and in no time had won a place in our hearts and in her class, and then topped it off by making honors her very first semester here! We grew so used to seeing her at the club or chasing "Donnie," the cocker spaniel who was mascot of her father's division, that it's hard to believe she wasn't here all four years. Her senior year besides living in "Little House," which should be enough to satisfy anyone, she was representative on the Club House Committee, on the Trinity Episcopal Vestry, and was Publicity Chairman on the Athletic Association Council.

THE '46 BLUESTOCKING

ANNE WILSON ARMSTRONG
STAUNTON, VIRGINIA

*Candidate for Bachelor of Arts Degree
Sociology*

"Anne"

Anne of the sweet, sunny, disposition was one of the most industrious girls in the class and yet always had time to do little thoughtful things for others. Her freshman year she was a member of the Glee Club, her sophomore year she was one of the group of girls who visited the Betty Bickle Home on Sundays, and her senior year she was on the Y.W.C.A. Committee. In addition she was a member of the Day Student Club for four years and served on the Day Student Committee her junior year.

GRACE CATHREEN BRAUER
RICHMOND, VIRGINIA

*Candidate for Bachelor of Arts Degree
Speech*

"Grace"

The jolly, friendly girl with the marvelous ability of being able to get along with anybody, was the way we always thought of Grace. She was a good sport who would try anything once, and yet come Tuesdays and Thursdays she led the seniors into Chapel as solemnly as a Sphinx. Just to illustrate her many (and surprising!) talents, she went out for hockey to help her class along and ended up making the varsity! She was a member of the Dramatic Club and Glee Club for four years, holding offices in both of them. She was Assistant Business Manager of the BLUESTOCKING and Secretary of her class her junior year and then President of her class her senior year. The memories of Grace we will carry longest though are those of her on the stage in any one of her various roles.

ELOUISE MARGARET CUTHBERT
SUFFOLK, VIRGINIA

*Candidate for Bachelor of Arts Degree
English*

One of the Spanish Club's most loyal members was "Ella" of the cheerful friendliness and sweet, cute voice. She haunted the library, which we darkly suspect was due to Mr. Thompson's History assignments! Somehow though she always managed to squeeze in plenty of time to devote to her job of Freshman Adviser, member of the International Relations Club and her pet form of relaxation—the movies.

"Ella"

BEVERLY JANE DARDEN
NORFOLK, VIRGINIA

*Candidate for Bachelor of Arts Degree
Psychology*

"Jane"

To say that Jane was head of the Friendship Committee her sophomore year discloses one important phase of her personality. She has shown an interest in drama, being a member of the Dramatic Club and appearing in some of its major productions. She served as Vice-President of her class her junior year and as a member of the Student Council and House President of Memorial her senior year. On the more informal side Jane is noted among us as "the girl who gives good dorm parties," one of the half-feared, half-envied Psychology Lab Assistants, and one of those amazing people who is able to make the BLUESTOCKING Beauty Section and the Monogram Club—and get elected as May Queen.

JEAN ELIZABETH DINKINS
COLUMBIA, SOUTH CAROLINA

*Candidate for Bachelor of Arts Degree
Sociology*

If there were such a song as "The Girl With the Dimpled Smile" it would undoubtedly be written to Jean. With her long, lovely hair, perfect grooming, and calm quiet ways she'd be an asset to any class. She was a member of the Dramatic Club and Victory Corps and was on the Devotional Committee of the Y.W.C.A. After "Advising" so well her sophomore year she was selected again her senior year as a Freshman Adviser, and was elected Senior Class Secretary by her own class.

"Jean"

MABEL LOUISE FAIRBANKS
GREENVILLE, SOUTH CAROLINA

*Candidate for Bachelor of Arts Degree
Psychology*

"Mabel"

Mabel is loved and appreciated for her subtle wit and dry, humorous remarks. What we'll do without them from now on no one knows. And who will ever be able to replace her friendly help at the Club? She is the tennis head on the Athletic Association Council, but just to show that she plays no favorites in the sports field she won the badminton tournament her junior year. She was Circulation Manager of *Campus Comments* and Senior Class Treasurer as well as a member of the Glee Club. The fact that she's a Psych. major may help to explain her unconventional behavior in being a member of that riotous, so-called "Socialist Party of M.B.C.!"

JANE FRIERSON
GREENVILLE, SOUTH CAROLINA

*Candidate for Bachelor of Arts Degree
Sociology*

"Sister" Frierson has become known for her wit and snappy comebacks among both the "Clubbers" and the "Study-Hallers." Having only been a member of the Student Council, House President of Martha Riddle, Chairman of Freshman Advisers, a member of Presidents' Forum, President of the Art Club, Vice-President of the French Club and in the play "Kind Lady," it was a simple matter for "Sister" to appear on the Honors List semester after semester and to be elected to the Mary Baldwin Honor Society in February of her senior year. After that, all we have energy left to say is, "How do you do it?"

"Sister"

MARIE NOELL HARR
MOUNTAIN HOME, TENNESSEE

*Candidate for Bachelor of Arts Degree
Sociology*

"Nobel"

Her nickname "Nobel" couldn't be better. If there was ever a cuter, sweeter girl or one with more pep or energy, we have yet to see her. Noell bubbling over with cheerfulness at 7:30 A. M. when everyone else is stumbling around with half-closed eyes was a daily occurrence. Her marvelous friendliness and sincere interest in people made her a natural choice for President of her class her junior year and for President of the Y.W.C.A., member of the Student Council, Presidents' Forum and a Freshman Adviser her senior year. Is it any wonder she was elected to "Who's Who Among Students in American Universities and Colleges" and May Queen attendant as final tributes?

MARY V. HARTLEY
CLIFTON FORGE, VIRGINIA

*Candidate for Bachelor of Arts Degree
Music*

Mary's piano playing at the Club on Sunday afternoon has practically achieved the status of an institution. Being a Club fiend she was usually ready, willing and able to oblige with your latest favorite most any other time too. A music major, she was a member of the Glee Club and Music Club for four years and a member of the Chapel Choir her freshman and junior years. She also served on the Social Committee of the Y.W.C.A., and made good use of her English minor by contributing to *Campus Comments*.

"Mary"

NANCY M. HOWE
CLAYTON, MISSOURI

*Candidate for Bachelor of Arts Degree
Sociology*

"Nan"

"Nan" is such a versatile soul it's hard to know where to begin. To say she's outstanding in sports is putting it mildly. She was a star in baseball, hockey, basketball, volley ball, tennis, and swimming so it was a simple matter for her to win the Athletic Association Award for the highest number of points in 1943-44. After having won so many awards herself, her senior year she was made a member of the Athletic Association Awards Committee. She probably gained more fame among the students though for leading poor, unsuspecting freshmen astray on long hikes! She was junior representative to the Student Council and House President of Chapel Hall and did such a good job of it that she was re-elected to the Council her senior year and was House President of Hill Top. For all these things plus her sense of humor and amiable, friendly personality she is probably most freshmen's idea of the typical college girl.

PEGGY HULL
SPARTANBURG, SOUTH CAROLINA

*Candidate for Bachelor of Arts Degree
History and Speech*

"P" of the red hair can only be described by one word—exotic. If sophistication and fashion ever came to Mary Baldwin, it was in this clever lass of the amazing energy and sweet disposition. She even used her energy to attempt a double major, History and Speech, and evidently divided her time equally between them as she held at one time or another practically every office in the International Relations Club and the Dramatic Club. She proved her literary ability as a member of the BLUESTOCKING Staff and a contributor to *Campus Comments* and her dramatic talent by appearing in no less than six major productions of the Dramatic Club!

"Peg"

ELLEN FRANCES McDONALD
BELONA, VIRGINIA

*Candidate for Bachelor of Arts Degree
Music*

"Mac"

We had an outstanding pianist, a talented writer and a high honors student all rolled in one in Ellen. Her junior year she won the Y.W.C.A. Scholarship and won second place in the *Miscellany* Short Story Contest. Her senior year she was a Freshman Adviser, a member of the Athletic Association Council, Associate Editor of the *Miscellany*, and Glee Club accompanist, not to mention being a favorite performer at Woodrow Wilson every Sunday afternoon. She was one of those always desired but seldom found people who can do most anything, and do it well, on very short notice. In addition to all this, she was elected to the Mary Baldwin Honor Society her junior year and to "Who's Who Among Students in American Universities and Colleges" her senior year.

THE '46 BLUESTOCKING

ELIZABETH NORVAL MCKEE
BEAUMONT, TEXAS

*Candidate for Bachelor of Arts Degree
English*

"Betsy"

"Betsy" was our other junior transfer from Hockaday Junior College. After knowing her, we're convinced that Texas must be good after all! One of our few talented ballet dancers, she easily won a place for herself in the May Day Pageant. We soon discovered that she was one of the neatest girls on the campus and definitely had a winning way with men. Is it any wonder that one so sweet and pretty should so quickly steal our hearts?

CECILE MEARS
EASTVILLE, VIRGINIA

*Candidate for Bachelor of Arts Degree
History*

"U. S. S."

A girl who can make high honors all four years, be elected to Mary Baldwin Honor Society her junior year, and still take part in everything that's going on should strike us dumb (with awe we mean), but instead we feel like waxing eloquent. Cecile was Editor of *Miscellany*, Managing Editor and Editor of *Campus Comments*, Secretary of International Relations Club, member of Presidents' Forum, and in "Who's Who Among Students in American Universities and Colleges." Besides that she was a born wit, a hard worker in whatever she undertook, a grand all-round girl and the keeper of the "notiest" notebook we've ever seen! If you're looking for competence plus, you need search no farther.

SHIRLEY ANNE MILLER
BETHESDA, MARYLAND

*Candidate for Bachelor of Arts Degree
Psychology*

"Sam, Sam, the Victory Corps Man." No wonder she was known for her various and sundry activities. If there was ever anything around school that had to be done by someone both capable and dependable that wasn't carried out magnificently by "Sam" we haven't heard of it. That trite old saying, "A good, all around girl," takes on new meaning when applied to "Sam." She played basketball, volley ball, badminton, tennis and hockey; belonged to the Glee Club, Biology Club, Dramatic Club; was Business Manager of the *Miscellany*; General Manager of the Victory Corps; a Freshman Adviser; and appeared in the Dramatic Club production "Kind Lady." Through it all she was one of the neatest, best-groomed girls it has ever been our pleasure to see.

"Sam"

RACHEL BERRY MOHLER
STAUNTON, VIRGINIA

*Candidate for Bachelor of Arts Degree
Bible*

"Rachel"

One of the married "women" of the class, Rachel naturally occupied a glorified spot. She had the knack, the understatement of the year since even talent wouldn't be a strong enough word, for taking numerous cuts and still maintaining that average of all good grades. As a very active member of the Day Student Club, Rachel was ever ready to serve on a committee and help wherever she could. We will always remember her as quiet and composed but sweet and friendly.

JOAN MORAN
BECKLEY, WEST VIRGINIA

*Candidate for Bachelor of Arts Degree
Psychology*

"Moron"

"Moron" was our own Esther Williams. A member of the Swimming Club for four years, she won the meet three times, appeared in the Water Pageant every year and directed it her junior year! She also belonged to the Music and Glee Clubs four years, was President of each one, and sang in all the concerts. Her senior year she was Vice-President of the Athletic Association, a member of the Presidents' Forum and the Monogram Club. We were hoping when Joan graduated she might leave a few of her men friends behind, but not having any of her many talents or her witty personality we probably wouldn't be able to hold them anyway.

LOVE BRICE MORTON
STAUNTON, VIRGINIA

*Candidate for Bachelor of Arts Degree
Mathematics*

"Love"

Love gave the entire school a vicarious thrill by getting married in November of her senior year. No one will ever forget her coming to classes on her wedding day! Love was noted for her beautiful, blonde hair, her sophistication, her easy-going ways, and for being a solitaire and bridge fiend. She was a member of the Day Student Club for four years and made honors her freshman year.

MARGARET NAIRN
WASHINGTON, DISTRICT OF COLUMBIA

*Candidate for Bachelor of Arts Degree
Speech*

"I" was one of those girls with a will of her own who did a little bit of most everything, and contrary to the old adage, did it all well. On the athletic side she starred in the swimming pageants, played hockey, basketball and volley ball and was Secretary of the Athletic Association. On the artistic side she was a member of the Art and the Dramatic Clubs, and appeared in "Letters to Lucerne," "The Rivals," "Passing of the Third Floor Back" and had the title role in "Kind Lady." If you prefer the judicial and executive side, she was a member of the Student Council and House President of Fraser. If she can hold off that amazing number of men who were always coming to see her, we really expect to see her name in lights one of these days.

"Peggy"

VELMA KATHERINE NEWBILL
MERIDIAN, MISSISSIPPI

*Candidate for Bachelor of Arts Degree
English*

"Kandy"

"Kandy" was probably the smallest senior but never let it be said that what she lacked in size she failed to make up for in cuteness. She looked like a dressed up doll dashing around, but she always got there—especially to the library. An Art minor, Mrs. Day called her an expressionist. We think she "expressed" herself in her love of new clothes and novels. She was a member of the Art and Spanish Clubs her senior year and a Freshman Adviser.

BETTY LAVAX OTT
STAUNTON, VIRGINIA

*Candidate for Bachelor of Arts Degree
Sociology*

Betty was another one of the Day Students with all the privileges that naturally go with it. We always knew when she was in the vicinity by the incessant talking and the witty remarks that made the air fairly crackle. When a junior, she was a member of the French Club and worked on the Circulation Staff of *Campus Comments*. Her senior year she was a member of the Art Club, on the Business Staff of *Campus Comments* and a Freshman Adviser.

"Betty"

ROSALIE PACKARD
GROSSE POINTE, MICHIGAN

*Candidate for Bachelor of Arts Degree
English*

"Rosie"

To quote "Rosie" herself, she was a "doer of things shoved off on me." This doesn't begin to say enough though because she was a doer of things that no one else could possibly do. Having a literary style and wit all her own, she wrote that popular column, "Clubhouse Capers," for many years, was Assistant Editor and then Editor of *Miscellany* and Feature Editor of *Campus Comments*. An incurable wise-cracker and a chatterer of the first degree, she never seemed to run down—or out of ideas. The Club House on Sunday will never be the same without her "Arthur Murray" song for although there may be other students there can never be another "Rosie."

ALICE PARSON
RICHLANDS, VIRGINIA

*Candidate for Bachelor of Arts Degree
Chemistry*

Though it has been a year since "A. P." graced our campus, yet to all old girls she needs no further introduction. With her ever good humor, diminutive size and blond hair, she won herself innumerable good friends, and during her sophomore year, a place among the most coveted group at Mary Baldwin—the engaged! His name is Bob and the profession medical which is very right and fitting since "A. P." herself is one of the class scientists. With a brain and a perseverance that enabled her to graduate months ahead of her class, and to make honors her senior year, "A. P." also found time in her Chemistry free hours to be a most active member of the Biology Club. May we join in the universal opinion that Bob is a lucky, lucky man!

"A. P."

BONNIE PEACOCK
SCARSDALE, NEW YORK

*Candidate for Bachelor of Arts Degree
Psychology*

"Bonnie"

We shall remember Bonnie as one of those girls who goes all the way out for something once she has developed an interest in it. "No half-way measure" Peacock it might be said. For instance: she liked Psychology—so she majored in it, she enjoyed pool—so she became a veritable shark, she liked Biology—so she became a lab fiend and President of the Biology Club, she was interested in art and photography—so she took pictures and finished them herself, was a member of the Art Club, Art Editor of *Campus Comments*, and did a great deal of poster painting. In case you're still not convinced we can mention lightly that she made the club her second home and proceeded to become an excellent bridge player.

PEGGY ALLEN POLLARD
WINSTON-SALEM, NORTH CAROLINA

*Candidate for Bachelor of Arts Degree
English*

When you find one girl who has the maximum quota of personality, beauty and brains, you really have something. And we had it for four years in Peggy. A BLUESTOCKING Beauty Section member every year and an honor student, the small but potent Miss Pollard set out to prove her many other talents. A contributor to both the *Miscellany* and *Campus Comments*, she became Associate Editor of *Miscellany* her junior year and Editor-in-Chief of the BLUESTOCKING. An English major, her poetry convinced us all that she was a budding modernist. If she couldn't think of a poem suitable for the occasion, she could just as easily do an artistic drawing to take its place. If you asked the average junior what she would rather do like Peggy though the answer nine times out of nine would be (with a heartfelt sigh) "wear clothes like she does."

"Peg"

BETTIE LEE REYNOLDS
ALEXANDRIA, VIRGINIA

*Candidate for Bachelor of Arts Degree
History*

"Bettie Lee"

Our William and Mary girl, Bettie Lee, devoted most of her time to the Dramatic Club and *Miscellany* and *Campus Comments*. As a junior, she worked backstage in "The Rivals," played badminton and volley ball, was typist for *Campus Comments* and on the *Miscellany* staff. During her senior year she was Treasurer of the Dramatic Club, Business Manager of "Kind Lady," Assistant Business Manager of *Miscellany*, on the circulation staff of *Campus Comments*, on the Athletic Association Council, and a member of the Glee Club and the International Relations Club.

KATHRYN MADELYN RICHARDSON
MEMPHIS, TENNESSEE

*Candidate for Bachelor of Arts Degree
English*

"Mad" was the vivacious, dynamic personality who was always there ready to do the job. One of those versatile athletes she played hockey, basketball and volley ball, and was Vice-President of the Monogram Club and Treasurer of the Athletic Association. She was also Associate Editor of the BLUESTOCKING her junior year. It was as a senior though that "Mad" really hit her stride. She was the able Vice-President of the Student Council, House President of McClung, Chairman of the Club House Committee and a member of "Who's Who Among Students in American Universities and Colleges." She's the best example we know that proves conscientiousness and energy always pay.

"Mad"

MARGARET VAUGHN RICHARDSON
MANCHESTER, CONNECTICUT

*Candidate for Bachelor of Arts Degree
Biology*

"Peggy"

"Peggy" definitely leaned toward the scientific side. A Chemistry and Biology major, she was Treasurer of the Biology Club and could be found in the Chemistry Lab most any time you passed by. She wasn't a one-track gal though because she was also a member of the International Relations Club, a contributor to the *Miscellany* and a Freshman Adviser. Bridge and the movies were her pet hobbies, and our pet one was to watch her smoking with that cigarette holder at the Club while she played a quick hand.

MARTHA BELL RODRIGUES
STAUNTON, VIRGINIA

*Candidate for Bachelor of Arts Degree
Biology*

"Martha"

A member of the Day Student Club, Martha served as Secretary her junior year and President her senior year. Our favorite trait in her was her thoughtfulness and consideration of others. Our private opinion is that she got so much done because she asked others to assist so sweetly they just couldn't refuse. Nice work if you can get it, and Martha always could. Her senior year she added the Biology Club to her interests and served as Day Student Representative on the Student Council.

CONSTANCE SMALL
ALEXANDRIA, VIRGINIA

*Candidate for Bachelor of Arts Degree
History*

"Connie"

Connie of the striking beauty and ever friendly disposition led a full and interesting life when she was with us. When she took time off from shining in every sport, she won the unofficial title of "Pajama gal of McClung." As a junior she was President of the International Relations Club, Business Manager of the *Miscellany* and a member of the Monogram Club. Her senior year her athletic ability carried her to the Presidency of the Athletic Association while her personality and just plain old leadership made her a member of the Student Council, of "Who's Who Among Students in American Universities and Colleges," of the Presidents' Forum, a Freshman Adviser and Vice-President of the International Relations Club.

CHARLOTTE ANNE TILLEY
DURHAM, NORTH CAROLINA

*Candidate for Bachelor of Arts Degree
English*

"Tilley"

The exotic engaged "woman," Charlotte was always surprising us. Who would have suspected she was such a talented cheer leader or tumbler, as she turned out to be at the basketball games her senior year, or that she could play a man as convincingly as she did in "Kind Lady"? She played hockey and basketball her junior year, was a member of the Dramatic Club, Business Manager of "The Rivals" and Stage Manager of "Passing of the Third Floor Back." In her senior year she revealed her heretofore hidden talents by taking part in all dramatic skits and major productions. With her southern speech and generous personality Charlotte made a place for herself in our hearts.

SHIRLEY ANN VESTAL
LITTLE ROCK, ARKANSAS

*Candidate for Bachelor of Arts Degree
Psychology*

"Squirrel"

"Squirrel" from Arkansas was the possessor of a mighty personality, a mind of her own and more energy than any other five people. She worked part of it off playing class basketball and the rest doing whatever jobs were handy. Of course being a Psych. Lab Assistant her senior year didn't slow her down a bit—oh no! She was the capable Business Manager of the BLUESTOCKING and then Chairman of the Social Committee, a member of the Presidents' Forum, Vice-President of the senior class, and an enthusiastic entree in the tennis tournament. We mustn't neglect to mention the job she really shone in though—waitress in the dining room during that never-to-be-forgotten time when the students took over.

FRANCES TURPIN WAGENER
RICHMOND, VIRGINIA

*Candidate for Bachelor of Arts Degree
English*

"Wag"

The girl who was remarkable for her faithful and utter devotion to the Marines could be none other than our "Wag." During her freshman year she was a member of the Glee Club and the Trinity Choir but she later deserted the realm of music to become an English major and a dry wit if we ever saw one. Keeping phones let her in on every students' little secrets and private life. My what she must know! As a senior she was chosen Secretary of the Freshman Advisers and for her beauty was elected to that exalted and most enviable position of senior marshal. If such a contest had ever been held we feel certain she would have also become "Champion pop-corn eater of M.B.C."

ELSIE WATERS
FLORENCE, SOUTH CAROLINA

*Candidate for Bachelor of Arts Degree
".Art"*

"Elsie"

Artistic Elsie was famous for her dependability and competence. Because of it she was selected to do art work for the *Miscellany* her freshman year, to be on the Decoration Committee for the Swimming Pageant, on the Costume Committee for "The Rivals," on the committee for the junior-freshman party, and for the junior-senior banquet her junior year and to be art editor of the *Miscellany* her senior year. Always sweet and friendly, Elsie was a member of the Spanish and Biology Clubs, Vice-President of the Art Club, a Freshman Adviser, Student Treasurer and a member of the Presidents' Forum.

ALICE WEATHERLY
STRAWBERRY PLAINS, TENNESSEE

*Candidate for Bachelor of Arts Degree
History*

"Alice"

"Weatherbird" came to us as a sophomore from Gulfport and has been a constant source of fun ever since. She was a member of the French Club and a most interested member and President of the International Relations Club. As a History major she was considered well informed even by her fellow history students. Perhaps the reason for that was that she spent all her time in the reading room of the library—whether studying or not. She was on the staff and a contributor to both *Campus Comments* and the *Miscellany*, was an honor student and a member of the Presidents' Forum.

JEWELL WEIFORD
STAUNTON, VIRGINIA

*Candidate for Bachelor of Arts Degree
English*

"Jewell"

Jewell has, during her four years here, proved to us all that fun and work can mix. As a student she claims honors in the field of English, while in the social line we see her in constant possession of an enviable and unending list of conquests. After seeing that "peaches and cream" complexion though one does not wonder. As versatile as she is pretty, Jewell likewise served on the staff of the BLUESTOCKING her junior year and has, as the other local graduates, been a member of the Day Student Club, of which she was vice-president her senior year.

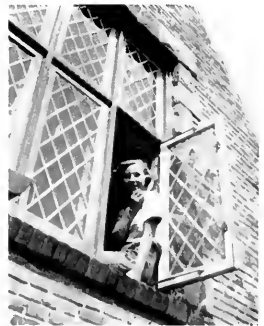

MARILYN ARMSTRONG WEST

PELIHAM, NEW YORK

*Candidate for Bachelor of Arts Degree
Spanish*

Marilyn with the dancing feet and twinkling eyes is our gift to the world of journalism. She was a feature writer on *Campus Comments* and a contributor to the *Miscellany* her freshman year. Taking every Journalism course offered, she became Editor of *Campus Comments* her junior year (quite a feat) and Associate Editor of *Miscellany*. The only Spanish major, she was President of the Spanish Club, member of the Glee Club, member of the Chapel Devotional Committee and an honor student. Her senior year she became House President of Sky High, a member of the Student Council, and was elected to "Who's Who Among Students In American Universities and Colleges."

"Marilyn"

NANCY ANNE WILSON
STAUNTON, VIRGINIA

*Candidate for Bachelor of Arts Degree
Psychology*

"Nancy"

"Anybody make a fourth?" You can always depend on Nancy to support the cause! Nor does one merely think of her as a faithful club goer and a veritable Eli. With due awe we also place her among the Psychology Majors of '46 as well as a pursuer of Integral Calculus. In the Athletic field Nancy turned aquatic her junior year and emreged with a well earned Life Saving Badge, that spring. Needless to say for all four years she has been a member of and staunchly supported the Day Student Club. With great regret the rest of them realize that next year Locker 14 will have another owner.

BARBARA ANN WRENN
MT. AIRY, NORTH CAROLINA

*Candidate for Bachelor of Arts Degree
Speech*

Barbara's activities have been so many and varied that we feel like saying, "take a deep breath before beginning." A member of the Dramatic and Glee Clubs for four years and of the Student Council for three, she was Vice-President of the Dramatic Club, Treasurer of the Student Council, member of the Social and Friendship Committees her sophomore year; Secretary of the Student Council and a Freshman Adviser her junior year; President of Student Government, Chairman of Presidents' Forum, on the Y.W.C.A. Cabinet, and a member of the Executive Council her senior year. She appeared in six plays, was stage manager of "Vicky" and assistant director of "Kind Lady." Throughout it all she remained friendly, capable and sincere. We can safely say she was our pride and joy and of course is in "Who's Who Among Students in American Universities and Colleges."

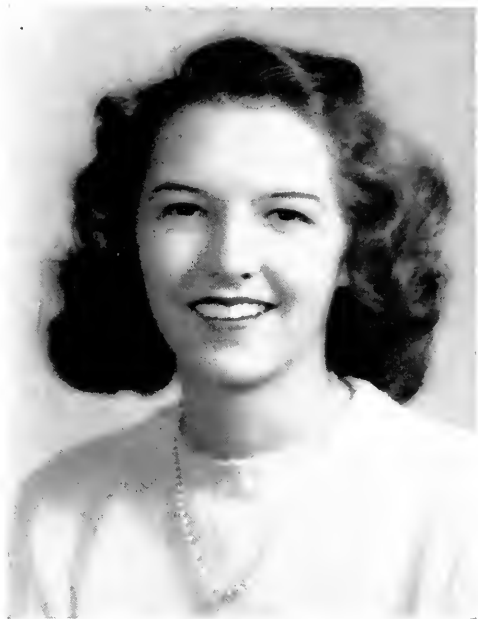

"Barb"

MARY RUTH CALDWELL
RICHMOND, VIRGINIA

December 15, 1924

January 5, 1946

*Candidate for Bachelor of Arts Degree
Biology*

"Mary Ruth"

Mary Ruth, when she came to this college as a freshman and during the two successive years, astounded us all with her inexhaustible supply of scientific knowledge. Nor only this—Mary Ruth managed to cover practically every activity that the college has to offer. On one hand we will remember her as one of the most enthusiastic and active members that the Biology Club ever had. On the other we will recall her position on the devotional Committee of the Y.W. and a participant of the Glee and French Clubs.

Along the athletic line her interests were mainly aquatic. A worthy possessor of both Life Saving and Instructor Badges, Mary Ruth was a member of the Swimming Club and could be found as the star of every such team and pageant, in addition to her job as guardian of the pool. In spite of these many extra-curricular activities, however, she likewise found time for study; not only did she accelerate but she graced the honors list along the way.

It was with great regret and sorrow that we learned of the death of Mary Ruth Caldwell on January fifth, 1946, as the result of injuries received in Chapel Hill, North Carolina, where she was engaged in graduate work. As she had completed the necessary credits at Mary Baldwin her degree will be awarded posthumously.

1. October 4—Wouldn't you know it! 2. Baldwin Beauties with our lovely May Queen on the end. 3. Mabel—campfire girl! 5. Peg and Peg in Sunday's finery. 6. Flowers 'n' pretty girls—what more do you want? 7. Vest, Mad, Barh—the best Baldwin has to offer. 8. Sweet Rosie O'Grady—there is but one! 9. Having a big time? 10. Connie—need we add more? 11. Sky High Queens in the afternoon sun. 12. More flowers and pretty girls! 13. All dressed up—must be Sunday. 14. Catching up on the latest. 15. Wag—you look guilty. 16. Ahem—those dignified seniors. 17. How could the Club manage without them? 18. Big party. Big time—Big fun!

THE STUDENT GOVERNMENT ASSOCIATION

WHENEVER A LARGE NUMBER OF PEOPLE LIVE TOGETHER, THERE MUST EXIST SOME FORM OF REGULATION OR GOVERNMENT. THIS IS THE FUNCTION OF THE STUDENT GOVERNMENT ASSOCIATION. WE BELIEVE THIS TO BE ONE OF THE HIGHEST TYPES OF GOVERNMENT BECAUSE IT EMPHASIZES HONOR AND INDIVIDUAL RESPONSIBILITY. EACH STUDENT BECOMES A MEMBER OF THE ASSOCIATION UPON ENTERING MARY BALDWIN AND PLEDGES HERSELF TO UPHOLD ALL SOCIAL AS WELL AS ACADEMIC REGULATIONS.

THE STUDENT COUNCIL SERVES NOT ONLY IN A JUDICIAL, LEGISLATIVE, AND EXECUTIVE CAPACITY, BUT ALSO AS A LIAISON BOARD BETWEEN STUDENTS AND FACULTY. SINCE THIS COUNCIL IS ELECTED FROM THE ASSOCIATION BY THE MEMBERS THEMSELVES, THE ATTITUDE OF TRUST AND CO-OPERATION IS MORE PREVALENT.

THE Y. W. C. A.

For more than fifty years the Young Women's Christian Association has been a student organization guiding the religious activities on the campus. The members of the cabinet work in close cooperation with Miss Mary E. Lakenan and three faculty advisers. The threefold aim of the Y.W. is the promotion of mental, social, and spiritual development.

The program is introduced with a traditional candle light vesper service—a recognition service for all students. Other highlights of the program are the services held for Thanksgiving, Christmas, Easter, and religious emphasis week. "Dorm" devotionals, Monday morning "watches," Sunday night vespers, and world fellowship chapel programs are also part of the Y.W.C.A. activity.

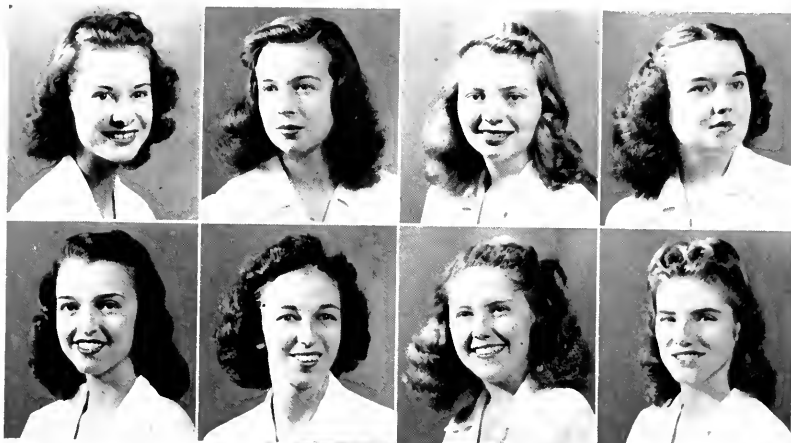

Some of the annual contributions made are to the World Student Service Fund, the National Y.W.C.A., the Golden Rule Foundation, Stillman Institute and a fifty-dollar scholarship.

Visits to the Virginia School for the Deaf and Blind, the Bettie Bickle Home, Western State Hospital, and the white and colored nurseries are enjoyed by all the girls; and it enables them to carry the work of the organization to "outsiders."

At the beginning of the school year, the Y.W. helps the new students to feel at home by giving each one a "Big Sister" to help look after her. The "Nook" is also another Y.W. project on the campus. It's a place where the girls can play, relax, and buy refreshments, and part of the money which was received this year from the "Nook" was given to the building of the student cabin for next year. The Y.W. "Hut" is also used for a meeting place for the different groups on the campus.

The year's work is concluded in May and after the election of new officers for the cabinet there is another installation service. Through this fellowship of worship, service, and play the student's life is integrated into a fuller Christian life!

FRESHMAN ADVISERS

A senior house president, appointed by the Student Council, serves as chairman of the Freshman Advisers. Other student advisers are appointed by the Student Council upon the recommendation of the Dean and the Chairman of Freshman Advisers. The duty of this group is to serve throughout the year as individual advisers to the freshmen, helping them with their adjustment to college life.

The aim of the Music Club is to better acquaint its members with music of all kinds, from Bach to "hoogie-woogie." We accomplish this by listening to student, faculty, and outside speakers on various fields of music of composers and their works. Membership is open to those who like music and who want to know more about it.

DAY STUDENT CLUB

The Day Student Club was organized for the purpose of having town students participate as a unit in campus activities. In addition to the president's serving on the Student Council, there are scheduled business meetings and numerous social events. This year the faculty entertained us with a party in the gym. We usually entertain the faculty and appreciated their honoring us. In addition we have a tea for the high schools and Stuart Hall seniors, and had charge of the sale of tickets for two performances of guest artists. Our share of the sales was our donation to the "cabin fund drive."

The Dramatic Club was founded in 1931 and has held a prominent place among campus activities ever since. The purpose of the club has always been to teach its members appreciation of the various forms of dramatic art and to provide entertainment. The club holds monthly meetings at which monologues, play reviews, or talks on topics relative to the field of dramatics make up the program. The Dramatic Club has, for many years, produced two major productions but due to a delay this year in putting on the first one, only one was given. This was *Kind Lady* by Edward Chodorow. The members of the club either have an acting part or they help with the back-stage jobs. The Dramatic Club is deeply indebted to Dr. Mary Latimer, who is its sponsor and director of its plays.

THE SPANISH CLUB

The aim of the Spanish Club is to promote interest among the students in Spanish and the Spanish speaking countries. These informal gatherings encourage every member to participate in speaking the language and in learning the customs and traditions of our Latin American neighbors.

The primary purpose of the French Club is to meet socially and strive toward better pronunciation and understanding of the language by practice in speaking it informally. Among the activities and projects have been plays, French relief, games in French, banquet, and movies.

THE BIOLOGY CLUB

The Biology Club was founded for the purpose of giving all those interested an opportunity to learn and appreciate different aspects of this science. It does not require a member to be a student in this field. The monthly meetings include discussions and movies on their programs in addition to many organized hikes and picnics, with the trip to Washington the highlight of the Spring schedule. As one of its projects the club has aided its sponsor, Dr. Thomson, with pictures of various events of the year, the profit from which goes as the club's contribution to the cabin.

The International Relations Club seeks to promote better discussion and understanding of world problems. Through the books donated by the national organization to our library, the club offers the ideas and comments of many of the best thinkers of the day. With internationalism more important today however, it is the place of the student to seek a broader basis for her views on international events.

VICTORY CORPS

Center: Shirley Anne Miller, Student Adviser
Left: Dr. Humphreys, Faculty Adviser, Ellen Eskridge and Mopsy Pool,
Sophomore Representatives
Right: Nancy Deacon, Junior Representative, Jean Dinkins, Senior Representative,
Jan Dickey, Freshman Representative

The Mary Baldwin Victory Corps was organized in the second semester of the school year 1942-43. Miss Catherine Mims was faculty adviser to this group, which was the center of all war activities on the campus. Some of these activities were bond and stamp sales, salvage collection, Red Cross surgical dressings, and the organization of classes in first aid, home nursing, and home mechanics.

In 1943, at the beginning of the school year, Dr. Mary E. Humphreys became the faculty adviser. During this year, various methods were used to boost the sale of bonds and stamps, such as auctions of faculty services and sales of "war-sages."

Another project of the M.B.V.C. for this year, and also for the following year, was the conduction of the Red Cross War Fund Drive on the campus.

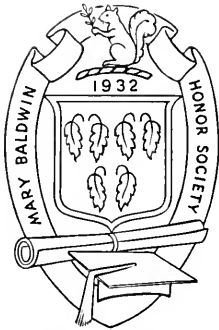

In addition to cooperation with the National War Loan Drives, the Victory Corps was active in other fields related to the war effort. It has worked with a group, composed of representatives from the various clubs of Staunton, which has done much of the planning for the comfort and recreation of the patients at Woodrow Wilson General Hospital.

The student body adopted a French war orphan for a year in May, 1945.

As a result of the Eighth Victory Loan Drive, the college was able to purchase two hospital units and present them to Woodrow Wilson General Hospital.

The termination of the functioning of the M.B.V.C. as an active campus organization coincided with the end of the Eighth Victory Loan on December 8, 1945.

MARY BALDWIN HONOR SOCIETY

The Mary Baldwin Honor Society was founded in 1932. The purpose of the organization is to promote and recognize scholarship. The college, always ready to foster academic excellence, is pleased to honor those who have achieved such distinction and hopes that the Society will prove to be a challenge and an inspiration to all students of the institution. Members of the Honor Society are chosen by the faculty.

The graduates of the University Course of Augusta Female Seminary and Mary Baldwin Seminary were elected to the Honor Society in May 1942. Many of these alumnae were initiated into the Society at the Centennial Celebration in June of that year, and others at later meetings of the Society.

The faculty elects members of the Society at the end of each semester.

ALGERNON SYDNEY SULLIVAN AWARD

The New York Southern Society, in order to perpetuate the memory of Algernon Sydney Sullivan, through whose efforts the Society was founded, in such a form that shall be most expressive of his character, established an award to be made in certain Southern colleges, to one member of the graduating class of each institution selected. Each school may present this award to another person, not a member of the student body, in whom accomplishment and service are outstanding, and who shall have some interest in, association with, or relation to said institution.

At the 1945 Commencement this award was presented to: Katherine Sherrill, retiring Dean of Students (1942-1945); Betty Lee Neisler, Class of '45, Vice-President of Student Government, 1944-1945.

KATHERINE SHERRILL

BETTY LEE NEISLER

J. W. CRONE

On March 6, 1906, Mr. Crone, who is now Superintendent of Grounds, came to Mary Baldwin and has been "on the job" in a most efficient manner ever since. On March 6, 1946, a testimonial dinner was given in his honor in the college dining-room. At this time a gold watch was presented him in appreciation of his loyal service to the college. The BLUESTOCKING Staff takes this opportunity to wish Mr. Crone—while not another forty years of active service, anyway, a long time as "jack-of-all-trades" at Mary Baldwin.

TESTIMONIALS

Happy is the college that has a "Bill Crone" on its staff! For forty years at Mary Baldwin Mr. Crone has dealt, usually successfully and always cheerfully, with recalcitrant plumbing fixtures, leaking radiators, short circuited electric devices, difficult stage settings for dramatics, lawn mowers on ninety degree hills, and countless problems of three hundred and fifty faculty members and students on a hundred-year old campus. Mr. Crone invariably offers sound advice and good technical service. We honor him for his years at Mary Baldwin not only because he is the mechanic and foreman par excellence but also because he is a great man.

—A FACULTY MEMBER.

Who is the most indispensable person on the campus? The unanimous reply is Mr. Crone. No other person could single-handedly keep over three hundred women pleased and at the same time maintain perpetual good humor. In any emergency, Mr. Crone promptly arrives at the scene with his rescue squad! With deft hand and four decades of knowing how, our "jack-of-all trades" soon has the situation under control.

—A STUDENT.

Mr. Crone is the most outstanding man I ever worked around or with. I have been with him for four years and he is the same today as he was four years ago when I began to work for him. He is liked by every one at the college. I really enjoy working with him. He is a good Christian and I love to talk with him. He is one of my best friends and always will be.

—A CO-WORKER.

The annual publication, THE BLUESTOCKING, is the result of a frantic and frenzied effort on the part of those involved, to roll into one everything that takes place in a year at Mary Baldwin—the students, the faculty, and the activities.

The editor and business manager are elected from the junior class by the students, and they in turn, appoint the other members of the staff. To Miss Fannie we are deeply indebted for her guidance and encouragement. To Dr. Thomsen we are extremely grateful for the time and trouble involved in taking some of the pictures. Finally we would like to thank every member of the student body for her cooperation, and generosity in supplying us with snapshots. We earnestly hope that, in the eyes of the students, we have achieved our purpose.

Campus Comments, weekly newspaper of the college, endeavors to serve as a medium for student expression and to give voice to the Mary Baldwin spirit. Written, planned, and edited by the students themselves in close cooperation with the journalism department, it is representative of the entire student body.

Since journalism classes were introduced in 1932-'33, *Campus Comments* has won recognition from both State and National Press Associations. In 1940 it won a high honor rating from the Associated Collegiate Press; in 1938, 1943, and 1944 it won first class honor ratings; and in 1937 and 1945 the newspaper was awarded All American ratings. At the Virginia Intercollegiate Press Association convention it has placed first twice and second several times.

Although *Campus Comments* is a student publication, its makeup and style are constantly improved under the able tutelage of Dr. Mary Swan Carroll, faculty adviser. Unusual feature pictures, a specialty of the staff photographer, Dr. Lillian Thomsen, add to the reader appeal.

The *Miscellany* is another of Mary Baldwin College's established traditions. It is the literary magazine and its staff endeavors to collect representative prose, poetry, and artistic efforts of the students.

The Art Department takes care of the cover for each issue and the literary contributions are mainly from English students though even Sociology majors have been known to take pen in hand for a little social criticism or reporting.

It is interesting to look over old issues and see how the collegiate literary style has changed through the years. One can see the influences of the important writers over a number of years. For instance Mary Roberts Rinehart in 1918 and Max Schulman in 1946.

The *Miscellany's* ideals are not unusual. It would like to be great but most of all it hopes to amuse and interest the students of the college it represents.

The Athletic Association Constitution which went into effect this year marked a new era in the development of our recreational program. We are very grateful to the committee plus Miss Christine Foster, our sponsor, who vigorously worked to give us this revolutionary document. Emphasis was put on participation in an activity for the enjoyment of it rather than for an award only. The idea of our new constitution is to make an all around person, stressing sportsmanship in all phases of college life instead of sports in particular.

Among the highlights of the Athletic program was a supper hike early in the fall. The fact that transportation was possible enabled us to play hockey with other colleges in the Western area of the Virginia Field Hockey Association of which we are a member. Hockey playing was greatly enhanced when Miss Constance Appleby visited our campus several days, imparting to hockey enthusiasts choice information.

As part of the program in reaching more people through recreation the Athletic Council gave a carnival for the student body. It was highly successful providing merriment for everyone. Preparation for the annual swimming pageant is under way which will be among the outstanding Spring events. College blazers were introduced and sold by the Council, distinct from the award blazer which are only given to students who meet necessary qualifications defined by the Constitution. The Council was also among the first to contribute to the cabin fund.

Anxious to launch into our Spring activities, we shall be looking forward to a meeting of the American Federation of College Women which has not met for several years because of the war. Mention has not been made of our regular sports activities but keen interest prevailed in competitive dorm and class games in Basketball as well as the usual amount of interest in Softball, Tennis and Swimming.

VARSITY TEAM

Left to Right: Cynthia Betts, Miriam Buckles, Bunny Armistead, B. J. Hamilton, Mad Richardson, Grace Brauer, Lee Doremus, Kitty Makepeace, Marian Seitz, Connie Small

Hockey starts off the athletic program in the fall. There is always plenty of excitement as the players dash down the field toward the goal with shin guards flying and sticks resounding. Instruction is given in the gym classes, as well as by Miss Appleby.

BASKETBALL

TEAM CAPTAINS

Lillian Richardson—McClung, Ann Early—Hill Top, Miriam Buckles—Memorial,
Joan Moran—Sky High, Laura Jane Atkinson—Chapel Hall and Fraser,
B. J. Hamilton—Riddle, Mariana Jamison—Day Students

The most exciting sport of the year is basketball. Pep rallies for the dorm tournament inspire real competition. The climax of the season is the Senior-Faculty game which is definitely a time for the laying aside of dignity!

SOFTBALL

VARSIITY TEAM

Davy Hinman, Bunny Armistead, Charlotte Fall, B. J. Hamilton, Miriam Buckles
(Not in picture): Jean Bailey, Ronny Daniel, Ann Jackson, Nancy Nettleton, Sarah Utz

This year softball took on a new significance when the students almost defeated the faculty in a thrilling game during the A.A. picnic. With spring practice in view and the organization of class teams for competition we shall probably produce real "big leaguers" for next year!

SWIMMING

Jean Darrow, swimming leader
Joan Moran, Peggy Nairu, Kitty Adair, Janey Martin, leads in Swimming Pageant

Swimming is one of our "all year 'round" sports. In spite of wet bedraggled locks, merry squeals and shrieks may be heard around the pool most any time. In the spring the real ability of the students is exhibited in the pageant to which all look forward with great anticipation.

THE '46 BLUESTOCKING

GOLF

This sport really affords more opportunity than its name implies. Not only are we allowed to play on the lovely Ingleside golf course; but we also have great opportunities for seeing the Virginia countryside.

POOL

Pool is also an "all year 'round" sport. The table by the post office serves as a main point of interest between classes and meals for all students whether they play or not. Of course faculty vs. student games are the drawing card and they are in progress most of the time.

ARCHERY

One of the less active sports as far as the physical aspect is concerned is archery. However, concentrating on the six points for good form while aiming at the target as you draw a thirty pound bow can become somewhat confusing, especially when the arrow lightly falls at your feet! (No doubt due to a knowledge of only five points!)

Minor

This is the part of the athletic program which we like to think of as really making us graceful. At the beginning of each season there are several days of agonizing moans from some of the

MODERN

PING PONG

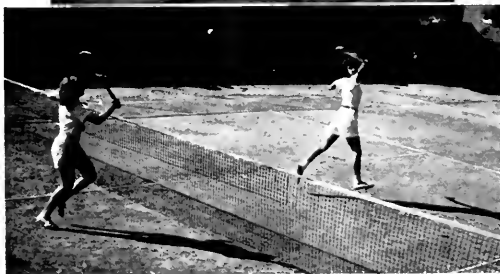

Due to our associations with S.M.A. and Woodrow Wilson (of course there are others!), ping pong has become quite popular. It is hardly safe to venture on back gallery Sunday afternoons because of the barrage of flying balls! (No reflection on student ability!)

BADMINTON

Badminton comes during the winter months around exam time. A tournament is held which enables you to "go it alone" or try the patience of your best friend in doubles. This light, fast-moving game is quite a relief from heavy studies.

TENNIS

Tennis is the sport for our individual "stars." The cup awarded at the end of the year to the winner of the spring tournament is quite an incentive to play. However, the courts are always full in the spring. (Suntans and fresh air have their attractions, too!)

Sports

less limber groups. However, the May Day dances destroy all doubt as to the rhythm and interpretive ability of our students, and add much to the beauty of the pageant.

Mr. Douglas, star of stage and screen, is back from two years in the service and will shortly return to Hollywood to resume his screen career with M.G.M. He has just produced an all G.I. musical on Broadway, "Call Me Mister."

As a conclusion to our record of the year, we present with pride the seven girls who have been named by their fellow students as "The Campus Beauties of 1946." In ranking, one through three, we have followed the order as selected by Melvyn Douglas, while the others have been arranged in sequence according to their classes.

 Conqueror's dreams with passion's ardor glowing,
 Caught from Truth's undying, pure white fire.
 Born to live, to perish never,
 To inspire to high endeavor,
 To uphold that light forever,
 Mary Baldwin.

Thou wast built of dreams, Mary Baldwin, Mary Baldwin,
 Dreams of faith, the dreams of early dawn.
 Thou shalt live beyond time's farthest limit;
 Dreams shall last when walls of stone are gone,
 Born to live, to perish never,
 To inspire to high endeavor,
 To uphold that light forever,
 Mary Baldwin.

Tune: THANKS FOR THE MEMORIES

Thanks for the memories,
 White columns in the sun
 Where shadows used to run;
 On steps above the terrace
 Ham and Jam watched all our fun,
 How lovely it was . . .

Thanks for the memory
 Of carnivals and kings
 Days that passed on wings,
 Of Christmas pies and gay train rides,
 And getting Junior rings—
 How lovely it was . . .

Oh, many's the time that we practiced,
 Oh, many's the time—yet the fact is
 The only thing we ever lacked is
 The joy and fun of more to come . . .

Oh, thanks for the memories
 Of May day afternoons,
 Senior songs and Junes,
 Of shepherds' crooks, the last of books
 And farewell tears and tunes—
 Oh, thank you so much. . .

LYNCHBURG ENGRAVED ANNUALS ARE
BUILT UPON YEARS OF EXPERIENCE
AS SPECIALISTS IN THE FIELD OF
SCHOOL PUBLICATIONS

IN successfully fulfilling the requirements of the modern College Annual Staff we have combined a comprehensive and systematic servicing program with that high standard of quality so essential in the production of fine yearbooks. Lynchburg engraved annuals are built by an organization specializing on school annuals exclusively, thereby assuring each staff of the personal and intelligent assistance so necessary in the planning and designing of a truly satisfactory book.

Builders of Better Annuals

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
